Use your creativity to invent something that helps others

Get Inspired!

Imagine you are walking in Agrabah with Jasmine... who are the other people in the streets? Families, shop keepers, passers by or maybe even animals...

One person catches your eye... Who are they, where are they going, what are they thinking about?

Is something troubling them? Do they find something difficult, or are they simply having a bad day?

Now that you've thought about this person, think up an invention idea that can help them in big or small ways or simply make them happy!

Ariel,
Rapunzel and
Merida also
have challenges
for you!

Share your invention drawing with us for a chance to win a truly one-of-a-kind prize - an original piece of Disney artwork of you drawn by a Walt Disney Animation Studios animator! Five runners up will also win a fantastic Disney goodie bag!
