1. Take a picture and when you get home upload your idea at littleinventors.org to get feedback, it may even be made real.
2. Hand in your invention drawing to be put up in the gallery!

Draw your very own secret platform entrance. Where will it be hidden and how will it be concealed? Is there a special way to get through it? Where would it take you?

Use a black pen, add colours and labels

MY invention!
