Trash to treasure

iCubo UDD
INTERDISCIPLINARY INNOVATION INSTITUTE

Little Inventors
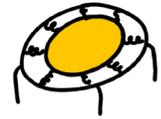

How could you re-use these old objects to give them a new life? Be inventive! Could you join them together, multiply them, add on other parts or even use them as just a small part of something much bigger?

Draw on or around the objects, or on a seperate piece of plain paper to transform them into something fun or useful. You could also think up more of your own!

A little inspiration!
