

Challenge cards

KS3 Making Waves

Cut up the cards and pick one to get started.

What does this make you think about? What problem do you need to solve? What invention can you come up with? You can also make up your own ocean challenge!

Invent a way to
reduce noise pollution from drilling
underwater

Invent a new
type of biodegradable packaging

Invent a way to
make boats sound quieter
underwater

MAKE UP YOUR OWN
CHALLENGE!

Invent a way to
clean up oil spills

Invent something
that re-uses old fishing nets

Invent a way to

stop sharks and turtles getting
trapped in fishing nets

Invent a new

way to travel across water that
doesn't use fuel or electricity
