

3.0 Challenge cards

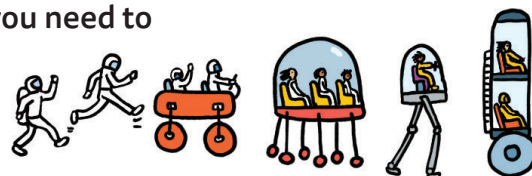

Traveling: The way we move

Cut up the cards and pick one card to get started.

What does this make you think about? What problem do you need to solve? What invention can you come up with?

You can also make up your own challenge!

Create an invention that makes walking to a bus station on a rainy day more fun

Create an invention which gets you to school without your feet touching the ground. Think about how this mode of transport can be environmentally friendly.

Invent something that helps you travel comfortably on a very hot day

MAKE UP YOUR OWN CHALLENGE!
