

Invent something to contribute to the ocean's health! Maybe something to help clean pollution, or to explore deep in the deepest depths, or to help lower the rising temperatures.

My ocean invention!

Use a black pen, add colour and label the parts.

My invention is called:

What does it do? How does it work?
How does it help protect our oceans?

Upload your idea to littleinventors.org and your invention might be chosen to be made real!
